This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. - This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template.

This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. - This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template.

1. What is the output of the following Python code? (This is a very long text that should overflow the available space in the header fields of the answer sheet template.)

- A) [1, 2, 3, [4]]
- B) [1, 2, 3]
- C) [1, 2, 3, 4]
- D) A SyntaxError is raised.

2. What animal is shown in the image?

This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. - This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template.

This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. - This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template.

A) A cat

the answer sheet template. This is a very long text that should overflow the available space in the header fields of the answer sheet template.

B) A dog

C) A fish

D) A bird

3. What is the value of the following integral? $\int_0^{\infty} e^{-x^2} dx$

A) $\frac{\pi}{2}$

B) π

C) $\sqrt{\pi}$

D) $\frac{\sqrt{\pi}}{2}$

4. Which of the following is NOT a primary color?

A) Green

B) Blue

C) Red

D) Yellow
